

Motif Twist

Double Electric Breast Pump

SKU:MT-10.1

The Motif Twist is ideal for moms looking for portable convenience. Use the Twist in your home or on-the-go with a battery power option or AC adapter. Twist the knob to select different suction and massage settings and use the blue LED light timer to track pumping sessions. The Twist allows moms to customize their pumping experience to fit their comfort level.

FEATURES & BENEFITS

- Super lightweight design. Weighs less than ½ a pound.
- Single or double pumping session.
- Closed system. Backflow prevention keeps the motor and tubing clean, preventing contamination.
- Dual power options. Use it stationary or on battery power (4 AA batteries).
- Quiet motor for discreet pumping.
- Adjustable suction pattern designed for maximum letdown.
